

September 2022

Dear Parents and Carers,

### **Y11 Information Evening**

We would like to invite your child and family to our Year 11 Information Evening which will enable us to help you to support your child through the final year of their GCSE courses.

This event will take place on Tuesday 4 October from 5:00pm to 7:00pm; the evening will be split into two sessions. Firstly we will be serving food, pizza and Italian style food, as we are aware that many of you may be coming straight from work. This will be followed by a presentation led by Mrs McQueen, Principal, with contributions from other key staff who will be supporting your child throughout Year 11.

The presentation will cover the following topics:

- Expectations of all Year 11 students
- How we can all support students through exams
- Enrichment and further learning opportunities

The evening has been specifically designed for the parents and carers of all Year 11 students. There will be a representative from each subject area who will be able to give guidance and provide information about how to support, encourage and monitor your child's progress throughout their courses.

By holding this information evening we aim to ensure that your child has the best preparation possible so that they can achieve or surpass their target grade.

We do hope that you will be able to join us with your child for this essential evening of information.

Yours faithfully,

**Mr J Turner**  
**Y11 Learning Manager**
