Your Life Your Choice

Dear Parent/Carer,

On Wednesday 13 March, Year 9 will have an assembly delivered by South Yorkshire Police. This will provide young people with key messages and information relating to organised crime, gangs and the risks of becoming involved so that they can make informed decisions and seek help when required

If you have any concerns in relation to this or there are any reasons that you think your child should not attend the assembly, please do not hesitate to contact me at s.riley@shafton.outwood.com

Yours sincerely,

Sarah Riley
Assistant Principal
