

Outwood Academy Shafton - Stable Careers Programme 2021/22

Progress Careers AIG - All students in Year 11 will have the opportunity to have one to one advice and guidance to support with many aspects of further education. This includes support with future destinations, interviews and application support.

HeppSY - Students across all year groups will have support through our HeppSY programme. HeppSY support helps our students to think about further and higher Education, giving well informed information to support our students' futures and decisions.

Future Fit - All students will access videos based on careers within the curriculum. These videos are embedded within the curriculum for each year group. The sessions will give students real life insight into careers that link into the subjects that they are studying.

Additional Experience - Each year group will have additional experiences ensure that they have the opportunity to have meaningful encounters with employers during the academic year.

Life Lessons - Careers will also be embedded into Life Lessons throughout the year. This element of the Careers Programme will look at topics such as CV Writing, Interview Skills and Life after Shafton.
