Dear Parent/Carer,

### **Groupcall text service**

As you know we currently use Groupcall to send and receive text messages. They are now able to offer us a free service called 'Xpressions' which would mean that we can make contact with you by both email and text message. In order to do this parents will need to download the app direct from Groupcall. There is a dedicated website provided by Groupcall for parents to get information on how to download the app.

In order to facilitate this we need to ensure that the email address / mobile number we have on record for you are up to date. We have prepared a Google form that we would like you to complete and submit so that we can collate all email addresses and phone numbers to update our records. Please click on the link below to complete the Google form. Once completed just click on 'submit'.

Thank you for your assistance in this matter.

Yours faithfully,

Alison McQueen  
Principal
