Dear Parent/Carer

**Vaccination Catch Up Session**

Barnsley School Age Immunisation Service will be visiting Outwood Academy Shafton on **Wednesday 17<sup>th</sup> May** for a catch-up session. The following vaccinations will be offered at this session:

**HPV:**

- Any remaining year 8 pupils where we have a valid consent form.
- Any remaining year 9 pupils where we have a valid consent form who may need their first or second dose.
- Any remaining year 10 pupils where we have a valid consent form who may need their first or second dose. (You will receive a phone call from one of our nurses to check you still consent)

**3-in-1 Teenage Booster & MenACWY:**

- Any remaining year 9 pupils where we have a valid consent form.
- Any remaining year 10 pupils where we have a valid consent form (You will receive a phone call from one of our nurses to check you still consent)

Please note that this may mean that some year 9 and 10 pupils will receive 3 vaccinations on this day. This is perfectly safe to do, however if you and/or your child would prefer to have these separately, please contact the team at [barnsleysais@swyt.nhs.uk](mailto:barnsleysais@swyt.nhs.uk) to let us know.

If you are unsure which vaccinations your child is due, please contact the team at [barnsleysais@swyt.nhs.uk](mailto:barnsleysais@swyt.nhs.uk)

Yours Sincerely

Barnsley School Age Immunisation Service

Chair: Marie Burnham Chief executive officer: Mark Brooks
