Dear Parent/Carer

Y11 Exam Success Evening

We would like to invite your child and his/her family to our Year 11 Exam Success Evening which will enable us to help you to support your child through this final exam period. This event will take place on Thursday 25th April from 5.30pm to 6.30pm. Please arrive at the Academy via the main entrance at the front of the school.

The evening will cover the following topics:

- Information around the exams period
- Help on revision techniques
- How we can support your child throughout the exam process

The evening has been specifically designed for the parents/carers of all Year 11 students. Senior staff will be available who will be able to give guidance and provide information about how to support, encourage and monitor your child's progress throughout this final exam period.

By holding this information evening, we aim to ensure that your child has the best preparation possible so that he/she can achieve or surpass his/her target grade.

We do hope that you will be able to join us with your child for this essential evening of information.

Yours faithfully
